## Genoa Fitness Center Testimonial:

I started going to Genoa Fitness Center about two years ago. The diversity of classes that they offer is outstanding. Whatever your degree of fitness is you can find a class to fit that level. Also, the instructors are amazing. They do great at correcting your form so that you don't have injuries. Also, they do a great job of encouraging you!

Genoa Fitness accepts the Silver Sneakers program. Classes are extra but all of the equipment and walking track you can use at no extra cost.

They also have a Meltdown Program that is very detailed and useful to meet your weight and fitness goals. ~ Debbie
